

Summer 2016 Internship Opportunities

Phoenix based virtual reality startup Spherical Studios LLC is looking for creative and energetic interns for the summer of 2016. Applicants must be at least **sophomores** and available for at least **10 weeks**. Our interns will be paid for their work. Interns will be considered for full-time positions.

Web Developer Intern

This intern position will perform a revamp of the current website for the Augmented Realty brand. The intern will use programming skills and languages they have studied in school and apply them to a real world project. The intern must be able to work independently to create a website.

This is a paid internship, full time 40 hours per week. Preference will be given to candidates who can also work part time during school.

REQUIREMENTS:

- Proficiency in web application development using HTML, CSS, JavaScript and JQuery.
- Familiarity with web standards and protocols (HTTP, HTML, REST, XML, OAuth).
- Prototyping and evaluation of new technologies and solutions
- Design and development of web applications in support of new foundational services
- Maintenance and support of existing web applications supporting foundational services
- SQL Experience is highly desired.
- Wordpress experience is highly desired.
- Familiarity with Virtual Reality, WebGL and Unity is a plus
- Experience with E-Commerce development is a plus

Qualified candidate will have/be:

- Currently enrolled in a Bachelor or Master's program in software engineering or related field.
- Positive, self-motivated individual with high level of enthusiasm and willingness to learn and incorporate coaching and instructions into daily tasks and assignments
- Highly organized with critical attention to details
- Ability and willingness to self-teach new and advance software functions

Please send your resume and cover letter to info@augmentedrealtygroup.com.

AN EQUAL OPPORTUNITY EMPLOYER: Spherical Studios LLC is committed to a policy of non-discrimination and equal opportunity for all employees and qualified applicants without regard to race, color, religion, sex (including pregnancy), sexual orientation, gender identity, marital status, national origin, ancestry, age (40 and above), disability, veteran status, military service, application for military service, genetic information, receipt of free medical care, or any other characteristic protected under applicable law. DS will make reasonable accommodations for qualified individuals with known disabilities, in accordance with applicable law.
